

Pre-Health Professions Advising

Frequently Asked Questions

1. What is the acceptance rate for Med, Vet, and Dental school at CC?

For the 2009-2010 Application year, 35 CC students applied to MD school (7 of those were to DO schools); we had a 73% acceptance rate for Med school. Two students applied to Dental school and 2 students applied Vet to school.

2. What are the Medical Schools that accept our students?

Our students have been accepted to:

Creighton	Oregon Health and Science University	University of Minnesota
Duke	Rochester	University of Missouri
Emory	St. Louis	University of Southern California
Georgetown	Tulane	University of Texas
Harvard	University of Arkansas	University of Vermont
Loyola	University of Chicago	University of Washington
Northwestern	University of Colorado	
Oklahoma	University of Michigan	

3. Can I take required courses at a community college or online?

Most Med, Dental, and Vet schools prefer the required courses to come from a 4-year institution. The student will need to check the school of interest for specifics on acceptance of two year college or online courses.

4. I heard that schools do background checks as part of the admissions process. Do I need to disclose everything?

Yes. It is very important to disclose any information that may be pulled up in a background check. It is also important to check with Ginger Morgan, Associate Dean of Students, regarding any infractions you may have received as a student.
