Indigenous/Tribal Nation(s) _____

I am providing notification that I will practice smudging and/or pipe ceremonies as part of my Indigenous/Native American religious ceremonies and sacred traditions.

I use the following in my religious ceremonies and sacred traditions:

(mark all that apply) _____cedar _____sage _____sweetgrass _____tobacco
_____other _____

In order to reduce the number of inquiries regarding the smell of smoke in residential halls and other designated spaces, and in recognition of the health concerns of the Colorado College community, I:

- Have read and understand the Colorado College Smudging and Pipe Ceremonies Policies and Procedures;
- (Students Only) Understand that Residential Life & Campus Activities staff can provide assistance and support to me in communicating with my roommate(s) regarding my smudging and/or pipe ceremonies. In the event that roommates are not compatible around smudging and/or pipe ceremonies, all reasonable measures will be taken to provide one or all roommates with alternative housing.

Signature _____ Date _____

- This completed form only needs to be submitted once, and will remain on file;
- This form will be received and reviewed by the Advisory Committee on Indigenous/Native American Support and remain on file with Campus Safety, Residential Life & Campus Activities, and the Chaplain's Office;
- The purpose of the review is to notify key members of the campus community so that they can support those Indigenous/Native American students, faculty, staff, and guests wishing to engage in smudging and/or pipe ceremonies; the Advisory Committee is not an approval body
